Warning

This product contains small parts that could pose a choking hazard if swallowed. Please keep these small accessories out of reach of children and store them in a safe place.

- Please make sure to read and fully understand the instruction manual before installation. If you do not understand any of the installation steps, please contact a professional installer.
- Children are not allowed to play on this product. Playing on the product can lead to unpredictable behaviors and the manufacturer is not responsible for any resulting risks or consequences.
- Please ensure that children aged seven and below, as well as individuals with physical sensory or mental impairments, use this product under proper supervision and guidance. Children should not have unrestricted access to play with it.
- Children must not clean or perform user maintenance on this product without adult supervision.
- Please ensure that there are no potential hazards in your operating environment, such as randomly discarding tools. Handle packaging materials with caution at all times to avoid possible dangers, such as the risk of suffocation for children playing with plastic bags.
- If necessary, please keep the original packaging of the equipment for future transportation purposes.

Waste disposal

This marking indicates that this product should not be disposed with other household wastes. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. To return your used device, please use the return and collection systems or contact the retailer where the product was purchased. They can take this product for environmental safe recycling.
